APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights on the source. It is understood that the amount of water herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the amount of water actually placed to beneficial use. It is also understood that this right must allow for a reasonable lowering of the static water level at permittee's well due to other ground water development in the area. A substantial weir or other type of measuring device must be installed and measurements of water use kept. The well shall be equipped with a 2-inch opening for measuring depth to water. If well is flowing, a valve must be installed and maintained to prevent waste. The State retains the right to regulate the use of the water herein granted at any and all times.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and

not to exceed 6.0 cubic feet per second, but not to exceed 2767.4 acre-feet annually, and not to exceed a yearly duty of 4.0 acre-feet per acre of land irrigated from any and/or all sources.

Actual construction work shall begin on or before N/A

Proof of commencement of work shall be filed before N/A

Work must be prosecuted with reasonable diligence and be completed on or before October 12, 1995

Proof of completion of work shall be filed before November 12, 1995

Application of water to beneficial use shall be made on or before October 12, 1998

Proof of the application of water to beneficial use shall be filed on or before November 12, 1998

Map in support of proof of beneficial use shall be filed on or before November 12, 1998

Commencement of work filed NOV 22 1995

Completion of work filed DEC 10 1998

Proof of beneficial use filed DEC 10 1998

Cultural map filed DEC 10 1998

Certificate No. 15191 Issued APR 19 1999

IN TESTIMONY WHEREOF, I, R. MICHAEL TURNIPSEED, P.E.,
 State Engineer of Nevada, have hereunto set my hand and the seal of
 my office, this 12th day of October,
 A.D. 1993
